

Coast Survey's mission is to help ensure safe navigation for all vessels, regardless of size and purpose. We need your help in updating nautical charts so we can continue to provide mariners with accurate water depths and precise locations of structures.

Please complete this "Permit / Public Notice Completion Report" and email it to ocs.ndb@noaa.gov, or print and mail it to:

Department of Commerce, NOAA
Nautical Data Branch
N/CS261, Station 7331
1315 East-West Highway
Silver Spring, MD 20910

We appreciate your assistance!

Permit/Public Notice Completion Report

Based upon a U.S. Army Corps of Engineers, District permit or public notice issued to you, the Department of Commerce, National Ocean Service, requests your assistance to provide information for our nautical charting effort, in the interest of safe navigation.

Permit/Public Notice #:
 Nautical Chart Number:

Date Issued:
 Waterway:

Summary of the structures or work the permit was authorized for:

Please complete the following checklist, filling in all appropriate blanks:

1. Date project was started _____
2. If incomplete, please estimate the date the project will be completed _____
3. Date project was completed _____
4. Was the project completed as planned based on the permit issued? (YES) (NO)
5. If construction is complete, please provide AS-BUILT drawings with explicit geographic control (**latitude/longitude or state plane coordinates, horizontal datum-NAD27 or 83 and survey unit**), survey date and any other relevant information. **Digital data is preferred** (.txt or .xyz format, .pdf files, CAD, GIS etc.)
6. Geographic coordinate system used in the as-built drawings (for example, "Alaska State Plane, Zone 6, NAD 83, US Survey Foot" or "Lat/Long, WGS1984"): _____
7. If the construction plan has changed, please provide a plan with the changes made or indicate what changed from the original plan.
8. Did the project involve dredging? (YES) (NO)
If yes, please provide a dated copy of a detailed after-dredge survey or a controlling depth for the dredged area. Please specify geographic control, horizontal datum, vertical datum (NOS charts are referenced to MLLW), and survey date.
9. Completed form (may be submitted digitally)

If you have additional remarks, please write them on the back of this form.

Please provide an e-mail address and a phone number where you can be reached during normal business hours.
 Area Code _____

E-mail _____

Please print your name and title _____

If you have any questions regarding this inquiry, please call the Nautical Data Branch at 301-713-2737, ext. 123 or email ocs.ndb@noaa.gov. Please include any additional information on the reverse side of this form. Thank you for your assistance. Please return this inquiry to either of the following addresses:
